

SIROCCO

Habitent new solution for owners of narrower boats with or without a side deck.

Whilst we have maintained our overall Habitent design principles for the development of the narrower Sirocco, the unit demanded a different technical approach.

The Sirocco will be suitable for most sailing boats with a

Stern width 1-1.6mts or 39- 63inches

Cockpit length to the open most point of the companionway 3-3.25mt or 118 – 128 inches

Sirocco RRP. £445 INCLUSIVE OF VAT plus shipping.

OFFER: The Sirocco will be with us by July 2016, forward orders are being accepted, secure yours now and receive a 10% discount off the RRP. Offer available until 9 June 2016.
